Benefits to the sponsor will depend on their level. All sponsors will be listed on our web page as corporate sponsors of our organization and initiatives.

Bronze and Silver sponsors will have their ads featured in the monthly newsletter for a period of 12 months from the sponsorship date.

Gold and Platinum sponsors will be featured in the newsletter as well as have links to their own sites placed on our website.

Platinum sponsors will be invited to a free booth at our conferences to sell or feature their merchandise.

Sponsorships are for 12 calendar months from the first month of sponsorship and may be renewed annually. Sponsors may also arrange for monthly donations which will increase their sponsorship levels.
